IT WAS A SHORT SUMMER—School bus driver Earl (Whitey) Koeper holds the bus while Jeanne Chaffron and Lee Weigel reluctantly approach with "that first day of school look." Summer is over and Palm Springs children started back to school yesterday, with more than ever registering for classes.

Master Plan to be Drawn by Roeseler

Palm Springs will soon have a master plan covering its major streets, parks, future land use and flood protection.

Council has authorized City Planning Director W. G. Roeseler to prepare such a plan, which will serve as a guide to future development of the city.

FIRST TO BE presented for consideration of the voters at public hearing will be the master street plan, which is in the process of being completed. Public hearings will be held on this phase some time in October, when a majority of the residents return.

According to the California State Planning law, the city is required to hold two public hearings on each proposed plan. Next to be considered will be parks, in November, and future land use and flood protection in December.

ALL PROPOSALS will be incorporated into a brochure which will be available to the public. The brochure will be ready for printing about January 1, Roeseler said.

Besides providing an over-all plan for future development, the adoption will make possible reserving areas for street, park, flood control and other designated use.

This Side of The Sun

By Jimmy Shea

(James G. Shea of the "Facets"—Friendly Southern and Electric—had a grand idea last week. Figuring I was just coming back from my vacation he thought I'd be too tired to write a column. So he took over. But through a misadventure in transportation (his taxi) his epic did not get here in time. But a chance to elude work is a chance to elude work, whether last week or this. So here is his column while I rest. —(FAT))

As you have read in Phat's previous columns, he's been on vacation and dispatching his stories from various locations and misusing various typewriters. Mrs. G. . . and Chalky Litterer can testify to this, so when he called on me the other day I had a proposition ready whereby I would write this week's column provided he would let me say hello to some of my personal friends in Palm Springs (just as an amateur does when he gets on the radio) . . . secondly, this would prevent another typewriter from See **THIS SIDE**, Page 2A

Transfer One Up on Jaycee in City Series

Palm Springs Transfer went one up in the finals of the city play-off series for the softball title Tuesday night when they defeated Junior Chamber of Commerce 12 to 7 in a slugfest.

Second game of the series is slated tonight at the Polo Grounds and if the Transfer wins again, the series will be ended. If Jaycee wins the third and final game will be played Saturday night.

Howard Haddock, city recreation director, has arranged a gala program for tonight at 8 p. m. City Councilmen and other city officials will be present to award the trophies for the season and there will also be entertainment.

Tuesday night's game saw Tichenor add another to his string of victories without a defeat, although he was hit harder than at any other time this season. Pete Herrera and Mark Hopp of the JC each hit a pair of doubles and Dick Brown slammed out a two run homer in the sixth.

For the PST, Mike Puentes hit four singles out of four AB's to top their batting.

Tuesday's line score:
 RHE
 Transfer 324 030 0-12 11 2
 Jaycee 001 012 3-7 9 3
 Tichenor and Heiser; Woods, Shaw (4) and McKinney.

Air Crash Fatal to Man, Woman

(Photo on Page 6A)

Two North Hollywood residents were killed Friday night in an airplane crash at Rancho Mirage as they flew in for the weekend Labor Day holiday.

The crash occurred at 8:25 p. m. at the Desert Air Park landing field.

Killed instantly was Wayne C. Hoffman, 36, of 11685 Magnolia avenue. His companion, Ellen Lucille Rynearson, 30, of 10947 1/2 Hesby avenue, died a few minutes after the crash.

Witnesses said that their craft, a four-seater Luscombe private plane, missed the landing strip and landed in the rough alongside. The right wing of the plane tipped the ground and flipped the craft over on its back.

Deputy Sheriff Douglas Palmer of Indio investigated for the Riverside county sheriff's office. Papers found on Hoffman indicated he was a civil engineer. The bodies of the two victims were taken to the O'Donnell mortuary in Indio, where the coroner's office conducted an investigation Saturday.

1413 in District Schools First Day

5 Juveniles Held for 10 Burglaries

Registration Shows Gain of 117 Over '52

Peak Enrollment Expected to Top 1800 in Spring

First day attendance at Palm Springs Unified district schools exceeded the anticipated number by 13, with 1413 students attending first day classes Wednesday in the eight schools, Dr. Arthur G. Hoff, superintendent, reported.

This amount was 117 more than last year, when 1296 students attended first day classes. Dr. Hoff said that additional enrollments during today and Friday are expected to bring the total past the 1450 mark.

Peak enrollment during the 1952-53 school year was 1752, and it is expected from first day registration that it will exceed the 1800 mark this year.

Ten years ago the total enrollment was approximately 300.

By schools, first day enrollment comparisons are:

High school	1953	1952
Cahuilla	343	324
Cathedral City	248	201
Desert Hot Springs	146	119
Frances Stevens	84	76
Nellie Coffman	299	203
Katherine Finchy	190	174
Thousand Palms	174	189
	19	10

Reservation Housing Woe Laid to State

Residents Told City Following Legal Standards

Sixty non-Indian residents and business lessees of Agua Caliente land were informed Friday evening that their problems were a direct result of State and Federal law, and not by policy of the city, Agua Caliente Tribe or Bureau of Indian Affairs.

The meeting was called by Councilman Jerry Nathanson, elected representative of most of the persons in attendance, who had received complaints due to the city's condemnation of eight buildings in Section 14 and the Indian policy of granting only five year leases.

ACTING CITY MANAGER R. W. Peterson told the group that the city council is only following state requirements in dealing with sub-standard dwellings.

The eight structures recently served with notices must be brought up to state standards or demolished by January 1, 1954, he said.

This time, Peterson explained, should be sufficient to either improve the buildings or to find new living quarters and demolish them.

THESE EIGHT DWELLINGS are only the first to be affected by the joint city and state action, with others now being checked. No definite program has been established though for elimination of sub-standard dwellings on Section 14, he added.

The Agua Caliente Tribal Council has joined the city and state in its campaign, adopting a resolution urging the city to take action to improve sub-standard dwellings on the reservation.

Henry Harris Jr., assistant director of the Sacramento area office of the Bureau of Indian Affairs, was the spokesman in regard to the five-year lease requirement.

FEDERAL LAW, he said, only permits a maximum of five year lease tenure, without any right of option renewal.

The Agua Caliente Tribe several years ago asked Congressional approval of longer leases but no action was taken.

It is possible that similar legislation might be enacted by future Congresses, Harris said.

Lad is Lucky Escapes Serious Hurts in Accident

A nine-year-old bicycle rider escaped with only minor injuries Saturday afternoon when he was struck by a car at 274 North Palm Canyon drive.

The driver of the car was Jack Silverman, 720 Camino Real. Allen Bergman, son of Mr. and Mrs. Albert G. Bergman, 1338 Buena Vista drive, after receiving emergency treatment, told investigating officers the accident was caused because the brakes were faulty on his bicycle and he was unable to avoid going into the lane of traffic when leaving the sidewalk.

Blow Out Woman Injured in Auto Mishap

One person suffered minor injuries and \$100 damage was caused to a 1941 model car, when it went out of control and overturned on its right side as a result of a tire blow-out.

Injured was Mrs. Mattie Lee Singleton, wife of the driver, John Singleton. They were travelling west on East Ramon road when the blow-out occurred at the intersection of Paseo Doroteo.

Mrs. Singleton was given emergency treatment at Desert Hospital.

Dr. W. P. Aikin Recovering

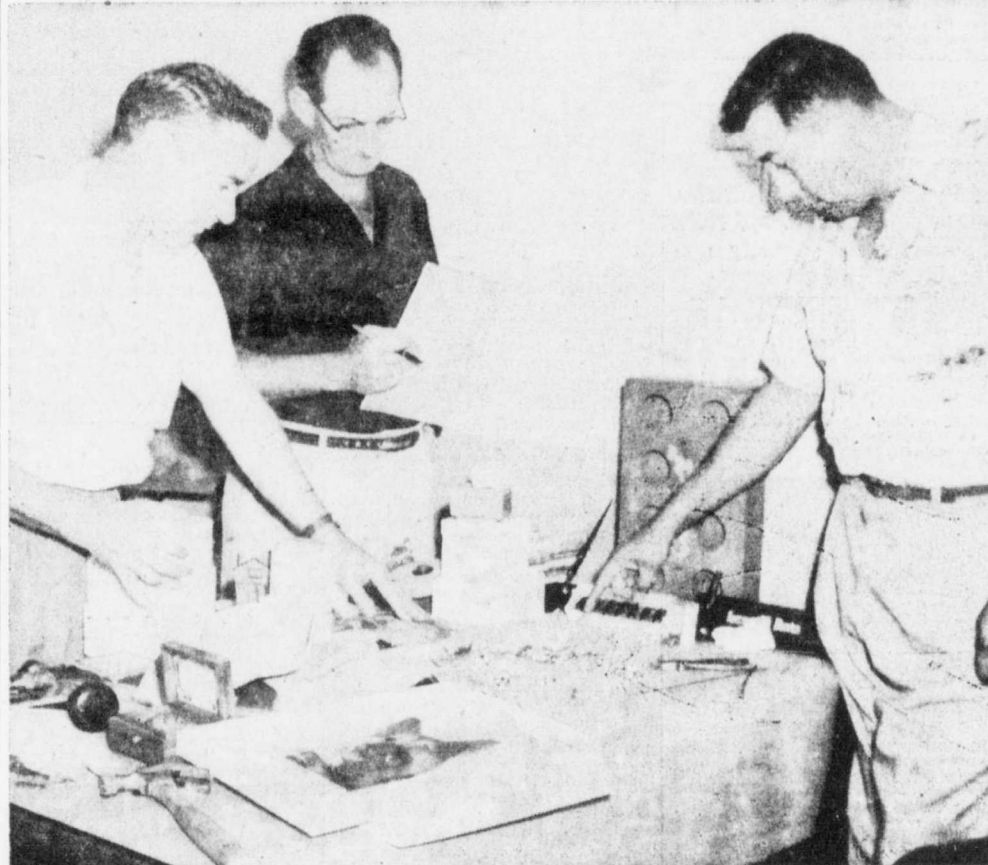

Dr. William P. Aikin, Palm Springs physician who was injured in an automobile accident on the Banning-Irwindale road last week, is still in the Riverside Community hospital. He is reported to be making a good recovery.

CITY'S TAX RATE LOWEST IN COUNTY

Total tax rate for Palm Springs for the current fiscal year is the lowest of the 12 incorporated cities in Riverside county, Ray Hicks, county auditor, said Friday.

The combined tax rate here—city, schools, county and special district—is \$4.83 per \$100 assessed valuation. This compares with the total rate of \$5.05 last year, a decline of 22 cents.

Hemet, with a total rate of \$7.60, has the highest tax rate in the county.

(Desert Sun photo)
LOOT RECOVERED—Some of the loot taken by five juveniles in 10 burglaries in the Village the past month is being inspected by (l. to r.) Police Chief John S. Davis, Capt. Orest Johnson and Sgt. John Herrera.

Plans for New C. of C. Building Subject Monday

Preliminary plans for the new Chamber of Commerce building will be submitted to the executive committee Monday, and the board of directors at their Thursday morning. Manager William Dunkerley reported today.

All Palm Springs architects were invited to cooperate in the preparation of plans, and Williams, Williams and Williams, and Clark and Frey have coordinated on the preliminary proposal.

The new building will be of typical desert architecture.

Actual construction of the building is tentatively scheduled to start by May 15, 1954, with the completion date set for July 15.

Dunkerley again praised Mrs. A. G. McManus for her "generous offer of land on which to build the structure."

JAN GUTHRIE RESIGNS C. OF C. PUBLICITY POST

Jan Guthrie has resigned as publicity director of the Palm Springs Chamber of Commerce, effective September 15, Manager William Dunkerley announced today.

She will leave September 19 for Honolulu, where she has accepted a position with an airline, also in publicity work.

Dunkerley praised Miss Guthrie for her service here during the three years she was publicity director.

"She was instrumental in bringing our publicity department up to professional standards, comparable to the top publicity agencies of the country," Dunkerley said. "This was due to her former newspaper experience, and her familiarity with publicity techniques."

Exceptional results were realized from the publicity budget, he added.

Dunkerley is considering several possibilities as to a replacement. Besides accepting applications for the position, he is contemplating having the Chamber's advertising agency take over the publicity too, unless **PUBLICITY**, Page 2A

Youth Center on Season Schedule

Palm Springs Youth Center returned to its Fall and Winter schedule yesterday, with the start of school. Director Ted McKinney announced.

The Center will be open from 3:30 p. m. to 9:45 p. m., Monday through Friday, and from 1 p. m. to 9:45 p. m. Saturdays. The Center is not open to the public on Sundays.

Average daily attendance during the month of August has been 70, slightly more than the June and July averages.

PLANS ARE NOW under way to hold at least two parties a month, sponsored by high school or civic youth groups. First on the schedule is a "hot dog" party, with the date to be announced in the near future.

Any youth group or organization wishing to use the Youth Center for a party is asked to contact McKinney, phone 5125. The Center is open for any promotion for the youth of Palm Springs, he said.

FACILITIES now available include: Two television sets donated this summer by E. W. A. Pease, photo laboratory, model airplane club, shuffleboard courts, basketball, chess, volleyball and other customary recreational activities.

McKinney also announced plans for equipping a conditioning room, with the equipment to include dumbbells, bars, etc.

All boys and girls, 13 through 19 years of age, are invited to attend all Youth Center activities, McKinney said.

The Youth Center, owned and operated by the Welfare and Friendly Aid Society, is one of the six agencies supported by the Community Chest.

Girl, 12, Said Head of Gang of Youngsters

Valuable Loot Recovered with Arrest of Quintet

Arrest of five juveniles, one of them a 12-year-old girl whom police say was the leader, resulted in the recovery by Palm Springs police of stolen jewelry and various items valued at more than \$1200, Chief of Police John S. Davis said Tuesday.

The arrests, police said, solved burglaries at ten Palm Springs homes and stores.

Released to their parents Monday and ordered to appear before juvenile authorities next Wednesday were three boys, all approximately 15 years old, the girl, 12, and her brother, 9.

IN THE LOOT, which overflowed a table at the police station, were many items of jewelry, tools, toys, music boxes, playing cards, pictures, clothing, a water cooler, paper clips, Christmas tree lights, tire pump, serving trays and other items.

Places entered included the Joshua Tree Studio, 2400 North Palm Canyon; residences of F. A. Schell, 2555 Juniper; Phyllis Cairns, 2700 North Indian; Alex Reid, 640 Calle Palo Fierro; Mike, 1450 Indian Trail; W. F. Hernandez, 2481 Juniper; Frank A. Winterton, 2669 Girasol; T. B. Williams, 588 Vista Oro; L. P. Martin, 630 Calle Palo Fierro.

FIRST BURGLARY was reported August 6 with no clues for police to follow. Then, Friday night the Wintertons returned home just as two boys, both See **JUVENILES**, Page 2A

The PUBLISHER'S Corner

by OLIVER B. JAYNES

INTERPLANETARY NEWS ITEM: Mr. and Mrs. Q. Q. Reynolds returned this week on the spaceship Stardust after two-week sojourn to Mars. They said the scenic views of the Universe were "out of this world" and that they had a wonderful time. Both agreed, however, that they were glad to be back on earth again. Their son, Fearless, remained at the satellite station Moonview and is expecting to return in a friend's private spaceship.

Optimistic scientists, comic strip spacemen and TV rockers have sent our imagination soaring through space. The subject presents endless possibilities for the imaginative journalist and—since every field of human activity has its specialized publication—the global fad was not long neglected. A magazine known as "Interplanetary News" has already been successfully launched at a site near Joshua Tree, California. The first issue was with a swish and passed out to delegates at the world-wide Flying Saucer convention in Los Angeles recently. Vol. 1, No. 1, is already a collector's item.

The pilot of this first-of-its-kind magazine, Miss Genevieve Johnson, says the publication will be devoted entirely to interstellar and cosmic news from our own solar system and neighboring systems. What's more—Miss Johnson claims intimate contact with various Space and Cosmic friends from different densities outside the Universe, according to the earth-bound Desert Journal of Joshua Tree. That's not all (fasten your seat belts for this one)—Miss Johnson has further disclosed that Joshua Tree is a favorite contact and landing field for numerous Space visitors! The high-desert now bids fair to becoming a future planetary tourist resort.

Among the magazine's correspondents, we understand, will be George H. Williamson of Prescott, Arizona, who is said to receive interstellar communication by radiotelemetry; and George Van Tassel of Giant Rock (this planet), former flight test engineer and author of the book "I Rode a Flying Saucer."

The wild blue yonder magazine will report the steller doings of Flying Saucer clubs in Melbourne, Australia; Sussex, England; and Bridgeport, Conn.; other space-minded groups now being organized in Canada, Germany, Japan, Brazil, Argentina and France, as well as the Civilian Saucer Investigation society of Los Angeles.

Subscription price is fifty cents for the next three issues. Perhaps later on there will be a bargain rate for a "light-year" which will out-do Harry Oliver's 50-years-for-\$50 subscription deal on his Desert Rat Scrapbook.

Until correspondents are added on other planets from time to time Mr. Williamson will have to de-code the messages now bombarding this planet from billions of stars. This should supply "Interplanetary News" readers with some interesting tid-bits. But communication doesn't seem to be the most serious problem; it's getting there and back that has spacemen puzzled.

I'd better start my descent before we get lost out here among the planets and run out of fuel. If I miss that last satellite service station, we might be in for trouble again!

New Season Launched by Chi Chi with Stellar Show

Curvaceously beautiful Tere Sheehan and that bouncing, hard working comic, Joe Cappa, are scheduled to top the entertainment bill in the Starlite Room of the Chi Chi tomorrow night.

And that isn't all. Coupled with the two star attractions, Blanche Cooper, of the famed Cooper Sisters, both of whom made such a hit on the same stage last season, will be on hand with her particular type of singing and comic antics in music.

THUS, THE NEW Winter season of 1953-54, from an entertainment point of view, will be launched by Irwin Schuman with a show which advance newspaper reports herald as one of the best that can be seen anywhere.

In addition to this entertainment, the Starlite Room also boasts the music of Vic Masters and his orchestra, featuring Sue Maro, the singing attraction.

Tere Sheehan, a fast zenith bound attraction on the American stage today, discreetly displays all, but all of her physical charms in a skit called "The Girl in the Champagne Glass."

NEWSPAPER ACCOUNTS of her act in Los Angeles and Hollywood are all raves with predictions by columnists that "Tere Sheehan is headed for the topmost rung of the entertainment world."

Cappa in his third or fourth seasonal appearance in the Starlite Room is a sure bet that no matter what happens, entertainment seekers looking for a

NEW SEASON IS ON — A smash hit show starts in the Starlite Room at the Chi Chi tomorrow. Above is Joe Cappa, comic, one of the several fine acts on the program.

laugh will find it in the comic impersonations and antics of this performer.

BLANCHE COOPER, of the Cooper Sisters, who sings them all the way from jive to heart rending tear jerkers, with a bit of comedy thrown in here and there for relief, adds immeasurably to the bill.

"It's a stellar show booked at this time of the season," Lou Mauby, manager of the Chi Chi pointed out. "The bill is good enough for any period of the season and Schuman has brought it to Palm Springs right now at the beginning of the Winter season. There is no cover charge except Saturday," Mauby added.

Sale of Portion of Indian Land Here Announced

Sale of two parcels of land by members of the Agua Caliente Tribe has been approved by the Sacramento Area office of the Bureau of Indian Affairs.

These two parcels were included in the nine parcels offered for sale June 16, and as explained in the sale provisions, are subject to current litigation in federal court filed by Oliver Clark.

No bids were received on seven of the parcels of land. Land sold was: Forty acres in Section 2 (fronting on Vista del Chino), owned by Francisco M. Patencio Jr., to Frank Delgado of Los Angeles for \$44,000, and 20 acres of land in Section 35 (on way to canyons), owned by Celia Patencio Lopez, to Thomas Myers of Los Angeles for \$11,511.

Season's Plans Topic for Legion

Second meeting of the Fall season will be held by the Owen Coffman Post, American Legion, at 8 p. m., Tuesday, September 15, at the World Wars Memorial building.

Plans will be discussed for activities this year, Commander John J. Joyce announced. First meeting was held September 1.

The Legion club house has been completely repainted and the cocktail lounge has been remodeled. It is now open to Legionnaires and their guests, with a grand opening planned in October.

Tahquitz Road Paving of 200 Feet Ready Soon

Paving will be soon completed of the initial 200 feet of Tahquitz road (McCallum Way) at the junction of Indian avenue.

Rights of way for this first step in the modernizing of the road were granted by the Agua Caliente Tribal Council and Indian owners.

No further development of the streets is possible until the expiration of existing valid leases.

Two Reappointed to Planning Board

John Porter Clark and John F. Miller were reappointed to the city planning commission by Mayor Florian Boyd at the Wednesday meeting of council. Council confirmed the appointments.

From Page 1—MORE ABOUT JUVENILES

barefooted, ran out of their driveway. Following the descriptions given, police first arrested two 16-year-olds, both high school students and a third boy, also 16, from Banning. Police began to collect stolen property but no jewelry was found in the possession of the three boys questioned.

UNDER QUESTIONING for two days, Friday and Saturday, by Chief Davis, Police Captain Orest Johnson and Sgt. John Herrera, one of the boys told of a "girl friend" who he claimed, led them.

At the home of the girl, they found her wearing one of the stolen rings, valued at \$300. After more questioning, she told them where more of the loot was buried.

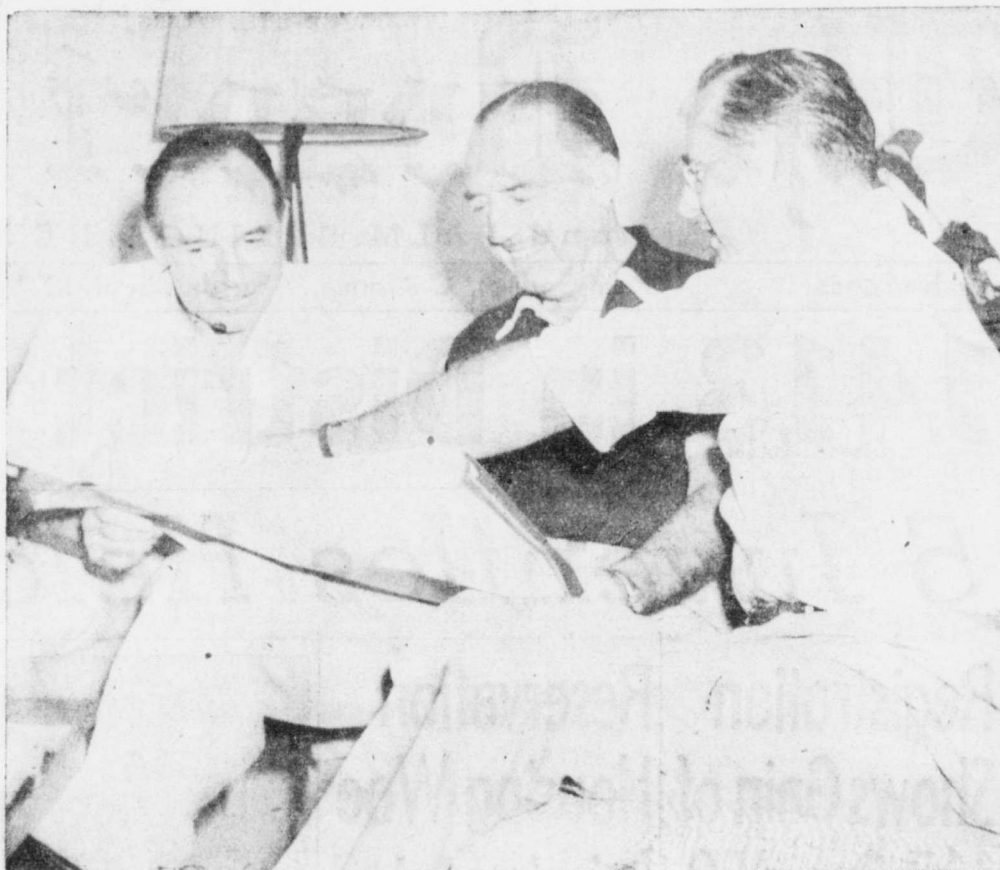

Asked about the remainder of the gems, she said that she had split them with her brother, aged 9.

THE YOUNG LAD was then taken into custody and the five juveniles began to locate the missing gems.

Some of the jewels were buried in their yards, some were found buried near the entrance to Chino canyon and the remainder buried in the yards of the homes which had been burglarized.

The five juveniles were released to the custody of their parents and ordered to appear in Juvenile Court, September 16.

Throngs Visit New Cliff May Model Home

(Desert Sun Photo)
Anthony Burke, left, L. E. Manseau and Norman A. Ostberg of the Palm Valley Associates, holders of the exclusive franchise for Cliff May, Desert Homes, study more plans for these houses which they are erecting in the desert area.

Monday afternoon the trio played host to a large throng of desert residents from Palm Springs to La Quinta in which one of the desert homes, commanding a superb view of the desert was given a house warming.

Indian Director Here to Discuss Rights of Way

Henry Harris Jr., assistant director of the Sacramento area office of the Bureau of Indian Affairs, was in Palm Springs this week to review and discuss land matters and rights-of-way in Section 26.

Section 26 lies in the southern boundary of the city, and City Planning Director W. G. Roesser received approval from city council Wednesday to prepare an engineering survey for rights-of-way.

Most of the Indian owners of land have granted rights-of-way for street development and staking of center lines is now in progress.

From Page 1—MORE ABOUT PUBLICITY

der his direction. This latter arrangement will be used in the interim period. Dunkerley, who was active in publicity work in the past and who was selected from Chamber officials throughout the country to teach Summer publicity courses for Chamber managers at the Universities of Nevada and Oregon, plans to spend part of the next few weeks renewing acquaintances among newspaper officials in Los Angeles and other California cities.

Decision on a replacement, or a different arrangement, will be deferred until it is determined which would be best for the Palm Springs Chamber, Dunkerley said.

being "junked."

Hi Earl and Barbara!
I experimented with a new type of vacation this Summer... instead of taking two weeks together, the Shea family took a place on Balboa Island for five weeks, so, like the youngster that wants to make his ice cream cone last, the breadwinner took two vacation days each week and matched them up with the weekend, until the five weeks rental and ten days vacation were exhausted. This gave the illusion to my beach neighbors that I had five weeks vacation and to my associates on the railroad that I had worked right through the Summer without a vacation (I hope).

Hello Bill and Jan at the CofC!
Naturally, while at Balboa Island, we sailed to the "Mainland" several times on the SS COMMODORE to keep George Strebe from getting lonesome while Ethel and the children were visiting in North Carolina... Lonesome, ha!... The Doll House at Balboa this Summer looked more like the Bank of America in Palm Springs during the Winter. It was certainly a gay night around there when Ethel, Corrin and Georgann returned for the homecoming party. Among those present from THE SPRINGS were, John and Eleanor Linkie, Dr. and Mrs. Baldwin, Virginia Dew, George Peck, Jack and Lucille Portnoy, "Flying Zeddie," Lilly Goff, Bob Benish, Dala Stedman and Louise Brake.

Hi Chuck and Freddie... oops, they're in San Diego
ONE SATURDAY afternoon... The "Mrs." went shopping for the weekend guests and forgot the bread, so after advising her about a memory test, I "volunteered" to go back to the store... ON THE WAY... met former Chief Gus Kettmann, heard all about his new STUDIE AGENCY, after he told me how good I looked and I reciprocated with how well he looked, we parted, a block farther down I stopped to admire the beautiful 68 foot yacht "Jomont" owned by Belmont Sanchez and in the next five blocks to the store passed Mrs. Murray of Murray's Market, Ed Hogan, Harry Cochran, Mr. and Mrs. Walter Flynn and Mr. and Mrs. Bob Higgins... arrived at the store and picked up SIX CANS OF BEER, THE PAPER and a PKG OF CIGARETTES... on the way home saw or saluted Wanda Richards, Fred Kunkle, and Clarence Wooley... when I finally arrived home with my "groceries" the wife had the funniest expression on her face!

Hi Doc Purcell!... When can I have an appointment?
ABOARD THE SS COMMODORE... For another big night on the "Mainland" The "Mrs." suggests we try some other place eating place besides the Doll House, just for a change... OK, but let's just stop in for "one" and say hello to George and Ethel... Man, the place was alive with Desert-ers. Dr. and Bonnie Baldwin arranged a surprise birthday party for George Kuffner, husband of the doctor's secretary, and the Doc

Last Rites Said at Banning for Dr. Whitehouse

Last rites were said Tuesday at 2:30 p.m. at Weifels and Sons Banning chapel for Dr. Elmer Martin Whitehouse, 67, of 779 B street, Cathedral City. Dr. Whitehouse died early Friday morning at his Summer home, Pine Cove, Idyllwild, as result of a heart attack.

A native of Illinois, he had been a resident of California and Cathedral City for the past eight years. He was a graduate of a medical college in St. Louis, Mo., and practice medicine in Illinois for 19 years later becoming field representative for a nationally known concert company living in Kentucky for 25 years.

He came to Palm Springs in 1945. In 1946 he married Mrs. Mary Kingsbury formerly the owner of the Plaza Date Shop. They have lived in Cathedral City since that time, spending their summer at Pine Cove.

Dr. Whitehouse is survived by his wife, Mrs. Mary Whitehouse; his mother, Mrs. Anne Whitehouse; two sons, Walter of Vista, Calif., and John of Washington, D.C.; two daughters, Mrs. Elma Ann Murray, Germany, Mrs. Mary Dippold, Illinois; a brother, Edward, of Stuttgart, Ark., and a sister, Dr. Amanda Lowe of Hollywood. Nine grandchildren also survive.

Roy Mauldin, Christian Science reader, officiated at the services in Banning Tuesday. Cremation was in Mountain View cemetery, San Bernardino with Weifels and Son mortuary in charge.

Rites Friday for Mrs. Maxwell

Mrs. Marion Catherine Maxwell, wife of David Maxwell of Cathedral City, passed away at Desert Hospital Monday evening after an illness of almost one month.

Rosary services will be held this evening (Thursday) at 8 o'clock at Weifels and Son Chapel.

Requiem Mass and funeral services will be said Friday morning at 8 o'clock at St. Louis Catholic church in Cathedral City.

Interment will be in Mount Calvary cemetery in Los Angeles.

GOP Assembly to Meet Monday

Republican Assembly directors will hold their organizational meeting for the Winter season at 8 p.m., Monday, September 14, in the Desert Inn Fiesta Room. Members are invited to attend.

The membership program will be discussed, and Muriel Fulton will give a report on what has been accomplished to date.

Library Back to Season Schedule

Welwood Murray Memorial Library will return to its Winter schedule next Monday, September 14, Miss Dorothy L. Bear, librarian, announced today.

Winter hours are from 10 a.m. to 9 p.m., Monday through Friday, and 10 a.m. to 5 p.m., Saturday.

Council Approves Leave of Absence

Sgt. Dale Thompson's request for a leave of absence for one year from the police department was approved by the council Wednesday.

Penman

Typewriter Theft Aired in Court

David Francis Volper Jr., is writing with a pen again today. Entering a plea of guilty Friday to a charge of petty theft of a typewriter when appearing before Judge Eugene Theriault, he was fined \$300 or sentenced to 60 days in jail, with all but \$50 fine suspended provided he return the typewriter and pay a reasonable rental for its use.

Complainant was Delpha J. Thompson, 472 North Palm Canyon drive, who told police that Volper had paid a rental fee from January to July but had contributed nothing since that time.

Volper was arrested in Santa Cruz, and returned to Palm Springs by Officer Robert Ralph.

Judge Freeman on County Bench 26 Years, Dies

Judge George R. Freeman, who will be well remembered by early-day Villagers, died at Riverside Monday at the age of

66. He was county superior court judge for 26 years. Appointed superior court judge in August 1921, he was elected in 1922, and re-elected every six years thereafter. He retired from the county judgeship in 1946. Prior to assuming the judgeship he was city attorney of Corona for 20 years and had been county assemblyman for two terms. Last rites for Judge Freeman were said yesterday at Riverside.

Zone Variance Granted Station

Council Wednesday approved a variance for the Shell Service Station, 900 North Palm Canyon drive, for minor remodeling. Included in the remodeling, recommended by the planning commission, is erection of a six-foot curb on the east and north sides, construction of curbs and

gutters on El Alameda and on Palm Canyon drive, set-back of the building a few feet, and enclosing of the wash rack. This was the first variance approved for Palm Canyon drive stations since the new zoning ordinance was enacted.

JC TAKES WILD GAME FROM M-M BY 12 TO 11

Junior Chamber of Commerce team got into the finals of the Desert Softball League Friday night at the Polo Grounds the hard way by defeating Mhoon and Mhoon of Cathedral City 12 to 11 in an extra inning ball game.

The Jaycee players had two big early innings to remain in the contest and then went on to win in the eighth with two out.

Mhoon and Mhoon went into the third inning with a three-nothing lead, but Jaycee, on four hits and scored by M and M errors, scored five to take the lead.

Mhoon-Mhoon drew up even in the fourth and then went ahead 10 to 5 in the first of the fifth on five hits and five runs.

Jaycee, however, grouped four hits and a part of their opponent's eight errors, to score six times in their half for an 11-10 lead. In the sixth, the Cathedral City outfit tied it up again at 11 to 11.

In the last of the eighth, Dick Brown singled and Johnny

Woods drove him in with the JC winning run.

Only home run of the game, which was played before a large crowd, came in the third when Brown caught one to his liking in the Jaycee's first big inning.

The line score:

RHE
M - M 102 251 00 - 11 14 8
Jaycee 005 060 01 - 12 15 4
Marcus and Allen; Shaw, Wood (3) and McKinney.

Salton Regatta Set for Oct. 16

Annual Salton Sea Regatta, at which power boat records will be sought, will be held near Fish Springs, October 16, 17 and 18, Dr. Louis Novotny, inboard racing official said at Indio last week.

"If possible, we will have a course developed that will be engineered as the fastest in the world," Novotny promised, explaining that sponsors for eight perpetual Coachella Valley trophies in the inboard classes were being sought. "We have five commitments now," he said.

Chest Drive

First Plans to be Discussed Tuesday

Preliminary plans for the 1953-54 Community Chest fund drive will be made at a meeting of the board of directors at 9 a. m., Tuesday, at the Coachella Valley Savings and Loan Association, President August G. Kettmann announced.

All directors are urged to be present.

Last Inning Rally Wins for Transfer

Cavanaugh's Hit, Aided by Error, Breaks Up Game

Palm Springs Transfer won its way into this week's finals in Desert Softball League with a close 5 to 4 victory over Desert Nite Hawks at Polo Grounds Thursday night with one of the largest crowds of the season on hand.

The game was won in the last of the seventh after the Transfer outfit came up from behind twice. Ross Cavanaugh hit a legitimate two-bagger which got away from Wilfred Lucas in center field. Cavanaugh came all the way around with the winning marker.

The win left Bill Tichenor, Transfer pitcher, with a perfect record so far for the season.

The Hawks led off with two in the second and got one in the third. Transfer evened it up with three runs on three hits in the bottom of the third but the Nite Hawks went ahead again with a run in the fifth. Transfer hit safely twice in their half to tie it up again. Neither team was able to count in the sixth but in the seventh, Cavanaugh's blow settled it.

The line score:

RHE
Nite Hawks 021 010 - 4 4 2
Transfer 003 010 - 5 7 2
Lewis and Parker; Tichenor and Heiser.

Ballagh Looks for Improvement

Coach Clare Ballagh today predicted an improvement of last year's football record after sixteen lettermen reported during the first week of practice.

He qualified this statement, though, by adding "barring injuries." Last season the team was plagued with injuries to key men.

The 1952 Palm Springs high school team was inexperienced and started slowly, winning only two games at the end of the season. Most of the team this year is composed of juniors, with some sophomores moving up from the tough Jaycee squad of last season.

PRACTICES are being held at 7:30 p. m. week days, until the day-time temperatures drop. Conditioning and fundamentals have been the main order of business so far, with the initial scrimmage scheduled for next week.

The first game is set for September 25, when San Bernardino high school plays here. Thirty-three have reported for Varsity practice, and 10 for Jaycees. An increase in both was expected following the beginning of school yesterday.

COACH BALLAGH is being assisted by Scott Thompson, and the Jaycee team is being handled by Bill Manger and Richard White.

The lettermen returning, and the positions to which they are assigned are:

John Laster and Larry Coulton, ends; John Wiswell, Tony Summers, James Parker and Gary Driskell, guards; Tom Martin, Charles Driskell and Sam Hall, tackles; Dave Dellinger and David Tichenor, centers; Pete Silva, Chuck Martin and Ralph Estrada, fullbacks; Gerald Egbert and Alvin Harrison, halfbacks.

Ballagh has experienced returnees in every position but center and quarterback.

City Reimbursed for Airport Project

City of Palm Springs has received \$16,635 from the Civil Aeronautics Administration as reimbursement for resurfacing runways at Palm Springs Municipal Airport.

By LUCILLE EURDICK

Labor Day weekend in the Palm Springs area was one of the busiest experienced in many a moon... At Desert Air Hotel planes coming and going all day long.

To this "Landlubber" it looked like hundreds!... Saturday night there, very gay, with the beautiful Compass Room literally bulging with diners enjoying the excellent food prepared by chef George Haubiel, and... never to be overlooked... these wonderful cooling drinks concocted by bartenders Harry and Roy.

Among the throngs enjoying it all, the Robert Powers of Rancho Mirage (who, alas, are temporarily deserting us for La Jolla), the Howard Burdicks with granddaughter Lucille Shepard excited over her first trip to the Desert, Alvin Rey, famous orchestra leader, listening to Chuck Travis at the piano, Lt. Cdr. Lewis Hunter and his lovely wife winding up his long and distinguished Navy career with a weekend at Desert Air prior to returning to civilian life in Birmingham... and many, many others.

Shadow Mountain celebrated Labor Day with a swimming meet for children which also will be farewells to the pool for 10 days as it is now undergoing its annual face lifting.

Desert Air Hotel will be the scene of Palm Desert Rotary Club luncheon every Friday at 12:15, beginning this Friday, September 11... Notice, Palm Springs Rotary, if you have any time to make up, we will be glad to have you join us.

The sympathy of all her many friends goes to Isabelle Cameron, whose beloved mother passed away Sunday night.

In the good news department, Don Cameron is improving steadily... and we hope to have him back with us soon.

We miss you, Don.

Councilman Miller Back in Village

VOLUNTARY CONTRIBUTIONS MAY SAVE LIVES OF IMPOUNDED PETS

Pets in Palm Springs received a new lease on life today — if they become lost or abandoned and picked up by City Humane Officer William Breitweg.

Under former regulations, the city was required to hold the pets seven days and then, if the animals were not claimed by old or new owners, they were to be destroyed.

But council voted to extend this period of time if Villagers are generous with their support.

Under the new arrangement, Breitweg may keep pets beyond the seven day limit, using funds provided by Villagers.

In the past, it was explained, many persons have offered funds to the city when

claiming their lost pets or selecting new pets. It was illegal in the past for the city to accept such donations, but council rescinded this part of the ordinance Wednesday.

Now if pet lovers wish to contribute funds, they will be

used to extend the time limit pets may be kept at the city pound.

But if no funds are contributed, the time limit remains the same, as funds included in the budget are sufficient only for the seven day period.

St. Paul's Back on Full Schedule Sunday Morning

St. Paul's in the Desert Episcopal Church will resume a full schedule of Sunday services beginning this Sunday, September 13. Holy Communion will be celebrated each Sunday at 8 a. m., the family service and church school will be held at 9:30 a. m., and a choral service of morning worship at 11 a. m. Since church school will be reopening this Sunday, it is important that all young people be on hand to enroll in proper classes, enabling the teachers to begin the year's work immediately. Adults are welcome to the 9:30 service, and if there is enough interest evidenced, an adult study class will be instituted as a part of the regular family worship service," said the Rev. William Blanton, rector.

Service scheduled for 11 a. m. this Sunday is morning prayer, with a sermon by the rector based on the fifth chapter of the Book of Ecclesiastes. "This book is one of the so-called 'Apocryphal' books written between the time of the Old Testament and the New Testament, and used by the Episcopal church for examples of godly life and wise counsel," the rector said.

The church choir will hold its first Fall rehearsal in the church this evening (Thursday) at 7:30, under the direction of Mr. and Mrs. Alex Hammond and the organist, Mrs. Eileen Carey. The church school choir will rehearse Saturday in the church at 10 a. m. under the direction of Mrs. William Mason.

'Substance' to be Christian Science Topic on Sunday

The harmonious effects of understanding that substance is spiritual and permanent will be discussed in the Sunday Lesson-Sermon on "Substance" in all Christian Science churches.

The Golden Text from Psalms (119:88,90) reads, "For ever, O Lord, thy word is settled in heaven. Thy faithfulness is unto all generations; thou hast established the earth, and it abideth."

In His Sermon on the Mount as recorded by Matthew (6:19-21), Jesus admonishes, "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal; But lay up for yourselves treasures in heaven, . . . For where your treasure is, there will your heart be also."

In the Christian Science textbook, "Science and Health with Key to the Scriptures," Mary Baker Eddy declares, "Man walks in the direction towards which he looks, and where his treasure is, there will be his heart also. If our hopes and expectations are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit" (p. 451).

County Red Cross Aids Quake Victims

Riverside county chapter of the American Red Cross is now accepting contributions to Greek earthquake relief and checks may be sent to chapter's office at 14th and Orange streets in Riverside.

The national Red Cross has allocated \$50,000 for emergency assistance to Greek earthquake victims.

Community Church Service Again on Season Schedule

Dr. James H. Blackstone Jr., pastor of Palm Springs Community church, will preach on the subject, "They Served the Lord," at the 11 a. m. service Sunday as the church swings into full season schedule.

Sunday school will start at 9:30 a. m. with individual classes graded according to the public school system and an efficient staff of volunteer teachers.

New Hours for Catholic Church

The Rev. Michael O'Connor of Our Lady of Solitude church, announced Monday that a new schedule of services will start next Sunday, coincidental with the re-opening of schools and the return of many vacationers to the Village.

Sunday and Holy Day masses will be said at 6:15, 10 and 11:30 a. m. and week-day Masses at 7:30 a. m.

Beginning on the first Saturday in October, services on Saturday evening at 7:30 will be Our Blessed Mother Mary under the title of Our Lady of Fatima, closing with benediction of the Blessed Sacrament. Peace and the conversion of these are offered for World Russia and her friends, Father O'Connor said.

Kiwanis Scouts Plan Rummage Sale October 2

Kiwanis Troop No. 77, Boy Scouts, is planning a Rummage Sale October 2 and 3 at the Lincoln-Mercury agency and first contributions will be made to the sale by Thrifty Drug Store Saturday at 10 a. m.

Others wishing to contribute articles to the Scouts Rummage sale are asked to bring them to Palm Springs Motors on North Palm Canyon drive.

Vernon Baumgardner, Scoutmaster for Troop 77, said that the boys will participate in the National Kids Week program, along with other Village youngsters. The program here is set for September 26.

KEEP

Their SHOES in PERFECT REPAIR

ARNOLD'S SHOE REPAIRING

140 East Andreas Rd. (next to Electric Co.)

WHERE TWO DIED—A planned Labor Day holiday ended by tragedy just as it started as two persons, both of North Hollywood were killed when their private plane crashed on landing at Desert Air Park. Killed were W. G. Holmann and Ellen Ryneason. (Story on Page One.)

PLAN IMPROVEMENTS FOR NEARBY CANYONS

Road improvement and moving of the toll gate fence farther into the canyon areas will be started within two weeks. Indian Agent Ned Mitchell reported today.

Date for opening of Palm and Andreas canyons is expected to be set at the next meeting of the Tribal Council later this month.

FIVE MEN have been at work in the canyons for the past two

months cleaning out brush and developing new areas. They are Matt Pablo, John Gonzales, Joe Saubel, Florian Trulljo and Joe Welmas.

The crew has removed burned trees from Palm Canyon, cleaned out underbrush from near the creek in Tahquitz Canyon to develop a new recreational area there, repainted lavatories and tables, and is now in the process of installing new directional signs.

IN ADDITION, the men blasted down an overhanging rock which was considered a hazard to tourists. The Geological Survey has constructed a new flume at the gauging station by the creek to provide a better measure of the flow of water, which will make it possible to keep a yearly record.

Mrs. Cameron's Mother Taken

Mrs. Hanna T. Noonan Gordon, mother of Mrs. Don Cameron of Rancho Mirage, who died the first of this week in Los Angeles, will be buried today in Holy Cross cemetery.

A long-time resident of the desert area, Mrs. Gordon is survived by her three daughters, Isabelle Cameron, Sally O'Neill and Mrs. James Kenaston (the former Molly O'Day) and several sons.

BACK FROM KOREA — Dr. Robert G. Backstrom, first president of the Palm Springs Junior Chamber of Commerce, will be the speaker at tonight's Jaycee meeting.

Dr. Backstrom to Address JC

Dr. Robert G. Backstrom, first president of the Palm Springs Junior Chamber of Commerce, will be the speaker this evening at the Jaycee meeting. The Jaycees meet in the Press Club building at El Mirador at 8:30 p. m.

Dr. Backstrom, just returned from 13 months leave in Korea, will show slides taken in Korea and Japan. He was overseas with the 32d Infantry Regiment, Seventh Division. He came home aboard the USS General W. F. Hase, which brought back some of the POW's and Dr. Backstrom was on the processing team which gave the men physical examinations aboard the ship.

Now on 30 days leave, Dr. Backstrom will report to Ft. Ord for duty. In March, when his two years are up, he will return to Palm Springs to re-open his dental office.

Dr. Backstrom came to the Village in 1946. Besides helping organize the Jaycees, he was a member of Toastmasters Club. His wife, Virginia, who did post graduate work at UCLA this past winter, is now at their home here and their daughter Dede is registered in second grade at Cahulla school.

Quarter Million in New Building in Village Area

August construction in the Palm Springs area, according to the county building department totalled \$126,127, with Desert Hot Springs leading the way.

During August, permits totaling \$31,695 were issued for Desert Hot Springs. The area, immediately adjacent to Palm Springs, but outside of the city limit, ranked second in the area with \$28,610 in new construction.

Combined with the permits issued by the city building department, total for the Palm Springs area in August was \$263,506.

August construction figures for the Palm Springs area were: Palm Spr'gs (City) ... \$137,379 Palm Spr'gs (Outside) ... 28,610 Desert Hot Spr'gs ... 31,695 Palm Desert ... 22,530 Cathedral City ... 22,441 Rancho Mirage ... 20,851

Too Windy?

Shorts in Chicago Not too Popular

Alfred J. Dreyfus, in a letter to his wife, Viola, reports that Chicagoans are experimenting with "walking shorts" during the current heat wave there.

They are not being received with enthusiasm, he said, and added that they stand little chance of becoming popular Summer-time attire.

Village Full Up but Labor Day Holiday is Quiet

Labor Day passed quietly in Palm Springs although the Village was well filled for the four-day weekend holiday which started Friday when visitors started coming into town.

Sgt. Howard Poe of the police traffic detail estimated more than 2,000 automobiles brought approximately 5,000 holiday seekers into the Village. Despite the throngs there were no accidents here.

Three fatalities marked the holiday in the desert area, but none were within the city limits. Two were killed in an airplane accident at Desert Air and one in an automobile accident at Cabazon.

Chief of Police John S. Davis said the visitors were orderly and that no drunk arrests were made. Cafes, hotels and apartment houses reported a brisk business.

You're Sure when you say STERLING

You're Sure when you say 7 Crown

...Seagram's Finest American Whiskey

Say Seagram's and be Sure

Seagram's 7 Crown. Blended Whiskey. 86.8 Proof. 65% Grain Neutral Spirits. Seagram-Distillers Corporation, Chrysler Building, New York

You're "sitting pretty" behind the wheel

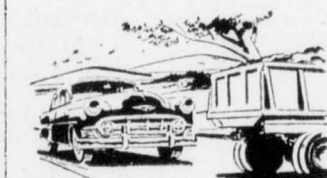

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

STACK CHEVROLET

"THE BEST DEAL UNDER THE SUN"

330 Sunny Dunes Road

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Traffic Now Crossing SP on Overpass

Official Opening of Structure at Garnet, Sept. 23

Plans for a program officially opening the new overpass across the Southern Pacific railroad tracks at Garnet crossing are now under study by city and county officials. Tentative date for the program has been set for September 23.

Although the overpass will not be officially opened until that date school buses for the Palm Springs Unified district and other vehicles began using the structure yesterday, the first day of school.

Basich brothers had the contract for the structure which eliminates two dangerous right angle turns and a hazardous railroad crossing over the busy main line of the S.P.

Cost of the overpass was \$220,000 with state, county and railroad footing the bill. Agitation for the crossing had long prevailed because of the danger to school busses and regular traffic.

The new overpass this in with the improvement of North Indian avenue from the city limits to the crossing by the county and work on Indian avenue inside the city limits by the city.

Royal Palm Dance Permit Approved

Dance permit for Royal Palms Hotel was approved by council Wednesday, subject to the required inspection.

Motorist Killed on Highway 99

Fletcher T. Satterfield, El Centro truck driver was fatally injured Sunday afternoon when the automobile he was driving on Highway 99 just west of the Palm Springs junction, bounced off a guard rail and overturned twice. He was reportedly passing another car at the time.

A woman companion, tentatively identified as Betty Knowland of Thermal was seriously injured and in San Geronimo Pass hospital. Both victims were taken there and Satterfield died a few hours after arrival.

133 Vehicle Code Changes Now in Effect

It is estimated that the state will save \$100,000 because of a vehicle code amendment which eliminates the use of registration tab on the front license plate, the Automobile Club of Southern California said today. In the future, only one tab for the rear plate will be issued to motorists.

This is one of 133 vehicle code changes which became effective yesterday, September 9. The code revision was made by the 1953 session of the state legislature for purposes of economy and convenience. The times were taken there and Satterfield died a few hours after arrival.

tabs are used during the four intervening years between issuance of new license plates. An amendment to the code which is of importance to motorists requires that any vehicle registered in California after January 1, 1951, be equipped with a mirror so located as to reflect to the driver a view of the highway for a distance of at least 200 feet to the rear.

Another code revision requires a driver who is following another vehicle within 200 feet to use low beam headlights. Motorists will be required to lights.

Under another amendment obey firemen directing traffic possible.

In order to protect firemen or fire equipment.

After September 9, motorists will be required to place the registration card in the driver's compartment of vehicle in a position so that name and address of the registered owner and license number shall be plainly visible and legible from outside of vehicle.

'No Parking' Zone on Tamarisk Road

Council Wednesday established a "no parking" zone on the south side of Tamarisk road, east of Indian avenue. Signs will be installed as soon as possible.

Announce Sale of Two Homes

Jerry Nathanson, local realtor, this week announced the sale of the Bessie Litman Lazar estate at 328 Mountain View. The transaction, reported to be one of the largest in single home sales, is said to involve \$125,000. The estate, comprising three acres, has a five bedroom, five bathroom dwelling on it and was sold to an as yet unidentified Texas oil man.

Also sold last week was the Kalkey Greenfield home in Las Palmas for the reported sale price of \$12,500.

Polio Cases Up Slightly in County

Ray Ederly of the county health department, reported that new polio cases in the county in August totalled 12, one above normal. All were in the western end of the county. None were reported in the desert area.

Ederly said 1953 continued to be a "bad" year for polio but did not approach the epidemic condition which prevailed in 1948.

THRIFTY SELLS FOR LESS and EVERYBODY KNOWS IT

THRIFTY SELLS FOR LESS and EVERYBODY KNOWS IT

Jana Home from Summer Odyssey

Jana, Village artist, returned to Palm Springs for the Labor Day weekend after a five month odyssey which took him to such varied spots as Mexico, Hot Springs, Arkansas, New York, Atlantic City, Baltimore, White Sulphur Springs, West Virginia, back to New York and then West via Chicago, Colorado Springs, Taos, Santa Fe and Las Vegas.

In New York City, Jana got interested in a TV idea that was kicked around by NBC for a while, with no specific results. While there he saw Villagers Helen and Ken Clarke. Helen had a one-man show at the Ferris galleries and Ken was on the radio program, Piano Playhouse, and they were rehearsing for a husband and wife bit called "A Room With a View" for ABC.

Jana spent the next couple of months painting portraits at the Greenbrier in White Sulphur Springs. There were several celebrities among his subjects.

In Highland Park, he saw Herb Rogers, who produces at the Playhouse Theater here. He had an exciting program planned for the coming season.

In Denver, Jana ran into Harold and Milton Hicks, well-known Villagers and Mr. and Mrs. Sam Taylor of the Tennis Club. He also saw Johnny Boyle, who was entertaining at the Teller House in Central City, Colorado.

He was in time for the Beaux Arts Ball in Taos, and the Fiesta in Santa Fe.

Jana brought back a few interesting paintings that were done en route and will be shown at various places in the Village this season. He has also developed a technique for doing miniature portraits in oil.

AT CATALINA—Lounging on the beach at Avalon, where they have been vacationing are (left to right) Larry, Katie and Sandy Nelson.

Eastern Star Resumes Meeting

Dr. Georgiana Raymond, worthy Matron of Palm Springs Chapter No. 576 Order of Eastern Star, today announced that meetings will resume on September 17, at 8 p. m. at the Masonic Temple, 1006 East Ramon road.

This will be a stated meeting and all members of Eastern Star are invited to attend.

Geraldine Frederickson, Monica Ledington, Pearl Nelson, Lennie Linkletter and Doris Ramsay are members of the tea committee.

Leib Rosens Back from Taos

Mr. and Mrs. Leib Rosen, owners and operators of El Coronado Apartment hotel, have returned from Summer vacationing in Taos, New Mexico, where they visited their children, Mr. and Mrs. A. M. Kay and Dr. and Mrs. Albert M. Rosen.

They also visited friends in Santa Fe and Albuquerque.

The Kays, and their daughter Eva, were here to spend the Labor Day holidays with the Rosens. Kay is a manufacturer of Arte Nativa peasant clothes.

Crawfords Visit in Los Angeles

Mr. and Mrs. Alex M. Crawford, of 855 North Indian avenue, were guests at the exclusive new Cavalier Hotel in Westwood during their August visit to Los Angeles.

Easterners Are Village Visitors

Mr. and Mrs. Ralph Cochran of Worcester, Massachusetts, have been visiting at the home of Mr. and Mrs. William P. Spaniol, parents of Ida Keeney.

Lusbys Entertain Weekend Guests

Mr. and Mrs. Jack Weaver of Pasadena spent the Labor Day weekend with the Ray Lusbys. Weaver is Mr. Lusbys' aunt.

Auxiliary to Start Season Next Tuesday

Tuesday, September 15, marks the opening of a busy season for Owen Coffman Unit No. 519, American Legion Auxiliary. The first Fall meeting is scheduled to be held at 8 o'clock at the Wars Memorial building. Marian Lienau, unit president, will preside.

An executive board meeting of the Auxiliary was held on Wednesday evening this week, when plans for Unit activities were outlined, including a concentrated enrollment of eligible members. Directing the membership enrollment will be Betty Billington, chairman, assisted by Naomi Mitchell and Jennie Leonosio.

Women of Palm Springs area who are eligible to membership in the American Legion Auxiliary are invited to join Owen Coffman Unit. Membership is limited to: (a) Mothers, wives, sisters and daughters of all men and women who were in the armed forces of the United States and died in line of duty, or after honorable discharge in World Wars I and II and the Korean conflict. (c) Women who of their own right are eligible to membership in the American Legion.

The Ways and Means committee, headed by Dorothy Morrison, chairman, Dolores Lowry and Myrtle Litzberger, have plans underway for an Auxiliary rummage sale to be held at an early date. With residents returning from vacations, it is the committee's hope that many will have used but still useful to others, household articles and clothes which they would like to donate for the sale. If so, the chairman, Mrs. Morrison, may be contacted by calling 5349.

At Tuesday's meeting, highlights of the state convention of the Auxiliary which was held in Long Beach, July 29-August 2, and attended by Christine Renier, Naomi Mitchell and Gladys Follansbee, will be related in reports by these delegates.

The president will announce the appointment of standing committees to function throughout the ensuing year.

Eligible and present members of the Auxiliary are cordially invited and urged by the president to attend the meeting September 15. A social hour and refreshments will follow the business session.

Villagers Write of Early Snowfall

Mr. and Mrs. Charles E. Shewe of 1054 Tamarisk road, write from Butte, Montana, that snow was falling there on September 3, and the townspeople were wearing overcoats.

Swanson-Rauber Rites Announced

Miss Marjorie Swanson, daughter of Mr. and Mrs. Ernest E. Swanson of Omaha, was married August 12 to Spencer Rauber, son of Mrs. Reginald Cole of Palm Springs and New York. The marriage took place in the Catholic church in Palm Springs.

Mrs. Rauber has been secretary to Attorney Roy Colegate for the past five years and Mr. Rauber owns the new Shell station in the north end of town. The young couple are living at 2280 Girasol.

Two Girls Born At Hospital

The population of Palm Springs was increased this past week by the birth of two baby girls. Both made their debut at the Desert Hospital.

On September 5, a daughter, weighing nine pounds, eight ounces, arrived for Mr. and Mrs. James Darling of 725 Arenas road.

A seven pound, ten ounce, girl was born to Mr. and Mrs. M. C. Harvey of 697 Beech road on September 8.

Keefes Settled in New Home

Mr. and Mrs. John Keefe (he is the new Director of Public Works) and their three children have arrived in the Village from Annapolis and are settled in their new home (the former Earl O'Day residence).

Pawlings Welcome Third Child

Mr. and Mrs. Joe Pawling have named their third child, who was born two weeks ago at Santa Monica, Leanne. The Pawlings are living in Tujunga.

Leonosios Take Vacation Trip

Fire Chief and Mrs. William Leonosio are on a vacation trip to Arizona and Wyoming.

Lewis Wagners Back in Village

Mr. and Mrs. Lewis Wagner, of El Poco Lodge, have returned to the Village from San Francisco, where they spent the Summer months.

Vacation Period at Padua Hills

With "Don Jose," carnival comedy and the Jamaica after-theatre fiesta, now in their final week at the Padua Hills Theatre, the Mexican Players are looking forward to their 1953 vacations.

Starting Monday, September 14, the theatre and dining room will be dark for two weeks while the players and staff enjoy their annual leisure period.

Gives Luncheon for B.W. Club

A buffet luncheon was served Wednesday to the Palm Springs Business Women's Club, with Ida Keeney, publicity chairman, acting as hostess.

The informal get-together was held in Miss Keeney's Trailer-cabana.

LOSES WALLET

Mrs. Dorothy Osterbaumer, Downey, reported to police Friday the loss of a red zipper wallet, containing \$10 in cash, gas credit card and miscellaneous papers.

2b-The Desert Sun and PALM SPRINGS NEWS PALM SPRINGS, CALIFORNIA Thursday, September 10, 1953

The Barney Bournes Back from Balboa

Mr. and Mrs. Barney E. Bournes and family, who spent the Summer at Balboa Island, are back at their Village home at 654 Camino Real.

Whites Back from Summer in Ohio

Mr. and Mrs. Richard J. White (he is a Palm Springs high school teacher) have returned from Kioga Falls, Ohio, where they spent the Summer while Mr. White attended Summer sessions.

Serving Palm Springs

On September 5th Desert Bank completed 3 years of service to the people of Palm Springs.

It's deposits are a reservoir of funds, FIRST, to provide a safe depository for its customers.

SECOND, to employ those funds so as to help in a constructive way to develop the area it serves.

THIRD, to pay its Saving depositors a fair rate for the use of their money.

FOURTH, to earn a reasonable sum for its stockholders who invested their funds in the capital structure of Desert Bank.

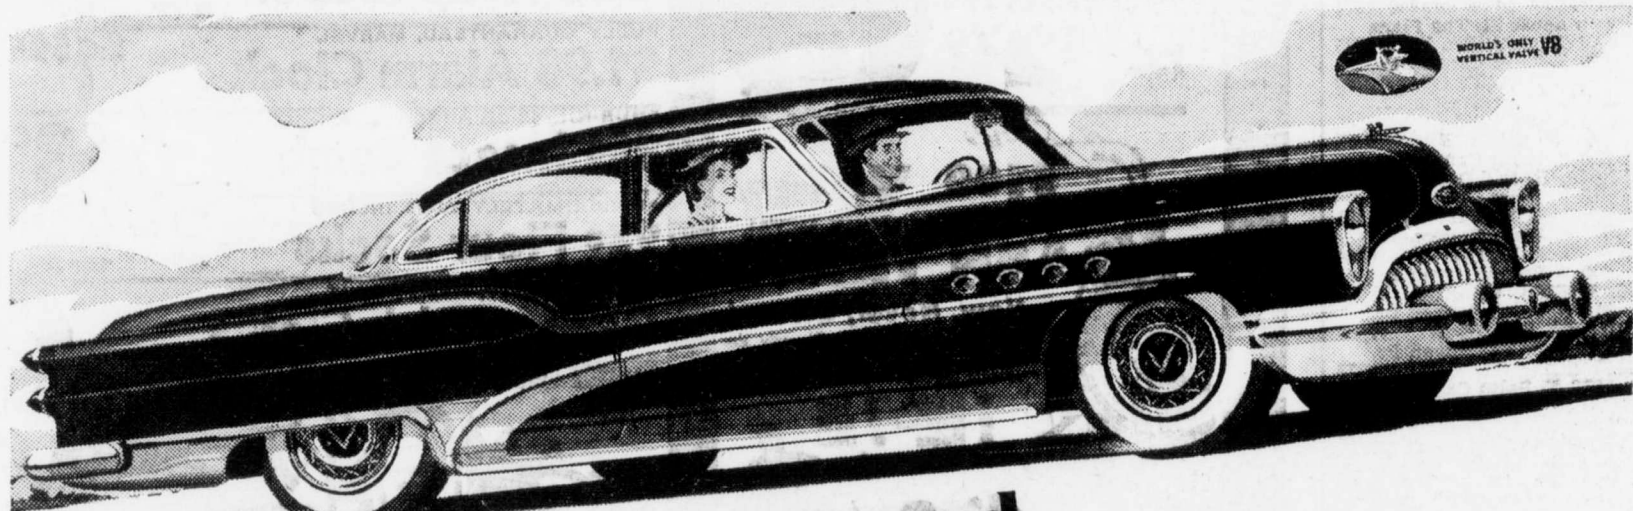

To our present customers and our customers of tomorrow we dedicate the future years, determined to merit and hold your continued confidence in our ability to serve your financial needs.

ROADMASTER

CUSTOM BUILT BY BUICK

TO you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motor experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflo—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

*Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

Palm Springs, Calif.

AROUND TOWN

With Hildy Crawford

The clouds pile up back of towering San Jac... like turreted castles in Spain... and make good material for day dreaming... Never mind... a castle in Spain... a faithful Villager will settle for a home and pool in Las Palmas estates... and when you stop to think about it... we've got about everything here that anyone could wish for... No one comes back to the Village without remarking... on its clean beauty... its dramatic setting... and the friendliness and gaiety that are a hallmark of Palm Springs...

All around the Village... homes are being opened... and those who have been here all Summer... are welcoming back the travelers... Out-of-state cars are showing up along Palm Canyon drive... The Chi Chi announces its first big show of the season for tomorrow night... and everything is on the up and up... Trixie and Jerry Jarrette... and Polly Isenagel... drove into the Village early Sunday morning from Grand Canyon... where they spent a day and a half... on their way home from Mexico City... They had stopped at several interesting spots in Mexico... on their return trip... including Guanajuato... a very old city... that has the "Street of the Kiss"...

...the unique street that is so narrow... that a boy on one side of it... and a senorita on the other... can lean out of the windows... and kiss above the street... Among the interesting souvenirs Trixie brought back... are a number of hand-painted tiles... Her plans for this season include several concerts... and she is opening her dance school at Veteran's hall... on September 14... Mrs. Jarrette's mother, Mrs. Trudy Blanco Martinez, stayed in Mexico City... to supervise re-modeling of a store building... but expects to come to Palm Springs in December or January... Polly reports she had a wonderful time... South of the Border...

People back East are getting very Palm Springs conscious... reports Realtor Martha James... who is just back in the Village after a flying trip to New York and Washington... and she thinks it foretells an unusually active season here... Mrs. James' busy and varied Summer... included... a week's rest at Carmel... a visit in San Francisco with Betty McKinley and her father Mr. Charles Mount... a couple of days at Dutch Flat... and a visit to Sacramento... She was supposed to have gone to Guadalajara... as the houseguest of Col. Clifford and Sonia Brasswell (they still own a home here)... but didn't make it... Just to show her what she had missed... the Brasswells sent her a copy of the new Guadalajara paper... with a lead article by Sonia... who is writing society down there...

Bill and Sonia Cody and their daughters, Diane and Lynne... are busy getting settled... in their ultra modern new home (designed by Architect Bill)... at 1950 Desert Palms drive... in the new section of Palm Springs... off Sunrise... The Ray Corlisses are in town for a couple of days... partying in Beverly Hills... Mrs. Corliss' mother, Mrs. Gaylord Bleakley of Kansas City, who has been with them at Idyllwild for the past three weeks... is staying with the children... Councilman Jerry Nathanson escorted Marjia Dean (20th Century Fox starlet)... to the premiere of "Little Boy Lost" at the Fox Wilshire... and afterwards attended the party for the cast... at Chasens... At the party... were the Mervyn LeRoys, Maureen O'Hara, Jane Wyman... and many more... but Bing Crosby... star of the remarkable picture... was not there for the premiere... Like many other parents... who have been away this Summer... Bob and Andrea Leeds Howard arrived back in the Village this week... to get their children started in school... The Culver Nichols and sons Steve and Larry... are back in the Village... Mrs. Nichols and the boys have spent the Summer in Palo Alto... while Culver was in Switzerland... On his way home... Culver stopped in New London, Connecticut... to visit their son Nick, who is in the Coast Guard Academy... then crossed the country to join his family in Palo Alto and drive home with them... A luncheon quartet at the Chi Chi... were the Dewey Metzger and their son Bob and his wife... They were just in town for the day... making plans for the October opening of Hotel the Oasis... which Bob will manage this season... Bob, who has a fine background of hotel experience, has a Gable look... and his wife is a charming person... The Hilton McCabes are back in the Village... and Jeanette, who is a senior this year, is getting ready for the opening of the Blake Field's Valley School... Mrs. McCabe and Jeanette spent July in New York... and have been in Laguna during August... Virginia McLaughlin, who is back at her home on San Lorenzo road... tells me she had a marvellous Summer in San Francisco... and saw lots of vacationing Villagers there...

BY THE BAY—Enjoying the sun and social-time conversation on the white sandy beach at the Balboa Bay Club this Summer

were Mrs. Earl Cordrey, Mrs. Belmont Sanchez and Mrs. Gavin Herbert, all of Palm Springs. This was a popular gathering spot for vacationing Villagers.

Autumn Colors Deck Altar for Carey-Jensen Nuptials

Autumn flowers decorated the All Saints Episcopal church in Beverly Hills Saturday night when Miss Joann Carol Jensen, daughter of Mr. and Mrs. Charles Arthur Jensen of San Diego, came down the candlelit aisle to exchange wedding vows with Lt. William King Carey, U.S.A., son of Mrs. Eileen Carey of Palm Springs.

Rev. Costelloanoes read the wedding ceremony. The bride who was given in marriage by her father, wore a white ballerina length gown, fashioned with a lace bodice over satin, and a full skirt of nylon net. Her short tulle veil was embroidered with pearls and she carried white orchids and stephanotis.

Accompanying the bride were: Miss Nancy Peterson, her maid-of-honor, and bridesmaids, Mrs. Louis J. Bolte, Mrs. John McGovern and Miss Dorothy McCants. The bride's attendants wore gold and brown ballerina length dresses and carried arm bouquets of spider chrysanthemums in blended tones of gold and light brown.

She and Joan McManus had luncheon together at the Palace... Addie Cunningham (just back from Hawaii) was her houseguest... and Winnie Cody was with her for 10 days... Virginia has been busy this past week getting her children Mary and Dennis ready for the opening of St. Theresa school... and she is going to be busy doing publicity for St. Theresa Mothers Club.

Dunkerleys Home from the North

Mr. and Mrs. William Dunkerley (he's secretary of the Palm Springs Chamber of Commerce) and their children are home from up North.

They spent two weeks at Orcas Island after Dunkerley completed his two weeks of active duty at Ft. Lewis.

Fish and Corn Highlight Trip

Mr. and Mrs. Bill Rashall and daughter Kater are back in the Village after a month's vacation spent in Minnesota and Iowa.

Bill, who is head of The Desert Sun advertising staff, says he hooked some fish in Minnesota lakes and discovered a new brand of "corn" in Iowa.

Gregory Hall Has Party on Sixth Birthday

Gregory Hall celebrated his sixth birthday Tuesday at a patio party given by his parents, Mr. and Mrs. W. J. Hall at the family home at 974 San Lucas road.

Dinner, complete with ice cream and a birthday cake, games, movies and cartoons were enjoyed.

Helping Gregory observe his natal day were: Betty Weatherford, Curtis Bailey, Craig Ambler, Hugh and Jimmy Curtis, Bert Weibel, Leo Weigel, John Bunker, Brian McKinnon, Gary Bailey, Gayle Hall, his maternal grandmother Mrs. John J. Duke of Colton, and an aunt, Mrs. Harold H. Bailey, also of Colton.

Mrs. Korngute Hostess at Birthday Party

Mrs. M. B. Korngute, whose Palm Springs home is located on Indian Trail, recently celebrated her birthday at her town house in Los Angeles.

Among the 125 friends and relatives helping her celebrate were the following Villagers: the Mel Smiths, Mr. and Mrs. Dan Flax, the Charles Valentinos and Capt. and Mrs. Irwin.

The Korngutes, who are now at their Indian Trail home, entertained the same group at dinner.

They have as their houseguests, Mrs. Barnett Palinsky of New York City, and Paul Cooper of Los Angeles.

and will give instructions in her open-air studio on campus.

Music instruction, including choral directing, will be given by Miss Patricia Prouty of the Riverside County Schools. Mrs. Henderson, wife of Randall Henderson, who is active in Palm Desert art circles and is a member of the Palm Springs Woman's Club, will aid with institute plans and will participate in the program as an artist and lecturer.

All clubwomen from the six district, 44-county federations and local clubs may attend; but reservations are necessary.

NEW DIRECTOR TAKES CHARGE AT MUSEUM

Dr. Clarence E. Smith has started his duties as director of the Palm Springs Desert Museum, with the actual opening slated for the latter part of next week.

It was hoped to open the Museum when Palm Springs District schools started, but it was impossible to complete in time the renovation program now under way, Dr. Smith said. All exhibits are being rearranged, to present an entire new line this year.

MUSEUM HOURS will be from 9 a. m. to 5 p. m., Monday through Saturday and from 1 to 4 p. m., Sunday, until night.

Field trips are scheduled to start about November 1. Dr. Smith reported that the museum program will remain essentially the same as last year, and will include evening programs, field trips, study groups, educational displays, collection, classification and display of local flora and fauna, and promotion of desert research.

AMONG PRIMARY needs of the museum at the present time, Dr. Smith said, is securing the services of a secretary. Anyone interested in the position is asked to contact him at the museum.

FOUR MORE HELD
Four Mexican "weekends" taken into custody by Palm Springs police Saturday morning were released to Border Patrol officers later in the day.

Circus Theme for Murals

Colorful murals in a circus theme decorate the walls of the Mary Helen Children's Shop at 138 North Palm Canyon drive.
Circled the walls and over the fireplace, the charming designs are the work of Mrs. Betty Strebe. They were drawn

freehand and done in oils and Mrs. Strebe says they are her first efforts at murals. The work was done this Summer.
Mrs. Dorothy Stein is the owner of the shop, which specializes in smart attire for the very young set.

Hospital Patient Held for Theft

James Everett Walls, 32, Los Angeles was arrested here on Wednesday on a grand theft auto warrant issued by Los Angeles authorities.
Walls had entered Desert Hospital for medical treatment and was taken into custody there. He later was transferred to Riverside Community hospital.
The Los Angeles man is charged with writing a check for \$1200 when purchasing a 1953 convertible, without sufficient funds to cover the check. The car was impounded and later released to a representative of the Los Angeles automobile firm which sold the car.

Renewed by Council

Contract of E. E. Andrade for use of garbage, was renewed by council Wednesday, with the city to receive \$800 annually.
The contract, for five years, has four more years to run.

Art Department Added to Palm Valley School

The Palm Valley School, private co-educational day school, will institute an art department this Fall under the direction of R. Brownell McGrew, a well-known Palm Springs artist. Director J. Blake Field announced this week.

McGrew has lived four years in this area, coming here from Los Angeles. He is a graduate of the Otis Art Institute of Los Angeles, where he also was an instructor.
Especially noted for his portraits and landscapes, he has also done a number of murals. A number of his works were exhibited last Winter at the Palm Springs Playhouse and the Desert Art Center in Cathedral City.
McGrew will conduct three classes a week at the Palm Valley School, where classes are open as a regular part of the schedule to all students who desire to study art. Each student will have individual aid from McGrew, and will be able to progress as fast as his ability permits.
Work in charcoal will be the first instruction on the program. There will be a special class for beginners.

"Terrific"

That's Their Idea of Our Climate

Louise and Barney Lebb, former owners of The Plantation (now Solomon's), were here last week to inspect Palm Springs properties and to enjoy "the terrific climate in the Village."
They announced plans to close their Los Angeles residence and return to the desert. The Lebbes were guests at Casa Parasol, Warm Sands drive.

Palm Springs Day at Fair October 3

Palm Springs Day at the Los Angeles County Fair at Pomona has been set for October 3, Tevis Paine, Fair public relations officer has announced.
The big Fair opens September 18 and closes October 4.

(Desert Sun Photo)
RECREATION—Palm Valley School, private day school which opens October 5, has excellent recreational program besides its courses of study for boys and girls from the seventh through twelfth grades. Pictured above are students enjoying the swimming pool facilities last year.

Carnation Corner

"Milk," says a scientific book, "is a suspension of nutrients." True enough, yet it certainly doesn't describe the pleasure and great value Carnation Homogenized Vitamin D Milk brings to your family!

One thing has always impressed me about Carnation Homogenized Milk. Of course, it is fine milk to begin with. Then, and just as important, it is rushed to you. Handled with speed made possible only by the most modern dairy equipment. That is why Carnation Homogenized Milk tastes so fresh. It is fresh—and that means everything in flavor.

HINT FOR HUSBANDS

Paint the rib tips of family umbrellas with luminous paint. Then motorists can see you on stormy nights — and passers-by don't get poked in the eye!

Just now, with school days here, we're thinking about good, nourishing meals that help youngsters and their Dads "do their jobs." How about a delicious casserole?...

Pennywise Noodle and Cheese Casserole

(Makes 6 servings)
2 1/2 cups medium cream sauce
1 teaspoon dry mustard
2 cups grated process-type American Cheese
2 cups cooked noodles
2 cups sliced wieners
1 sliced fresh tomato

CREAM SAUCE: Combine 4 tbsp. butter, 4 tbsp. flour, 1 tsp. salt, over low heat. Add 2 cups Carnation Homogenized Milk, stirring constantly until smooth and thickened.

CASSEROLE: Combine cream sauce, mustard and cheese over low heat or hot water until cheese melts (about 2-3 minutes). Arrange alternate layers of noodles and wieners in buttered 2-qt. casserole. Pour cheese sauce in casserole, top with sliced tomato. Bake in moderate oven (350° F.) about 30 minutes.

Sausages in casings were popular 3,000 years ago and called *Salsus*, meaning salted. Our hot dog originated in Vienna, the city called Wien by its inhabitants — so the sausages were named wienerwurst. We say hot dog, or weenie, or frank — but no matter what name, the hot dog is now as American as baseball!

Carnation Homogenized Vitamin D Milk "belongs" in the lunch box thermos. Occasionally, vary this treat by shaking milk with a little cocoa, chocolate syrup or vanilla.

Just Oil Your Sewing Machine?

Stitch through a blotter several times. This soaks up excess oil and protects fabrics against stain.

Carnation Homogenized Vitamin D Milk is rich in protein, calcium, phosphorus, vitamins A and D. All of us benefit from this concentration of food values. Of course one can get protein from meat and so on—but calcium and phosphorus are hard to get from other foods without eating "impossible" quantities. Do remember that adult teeth and bones need calcium too—so enjoy Carnation Homogenized Milk often!
